

# Homemade Playdough

1 cup of flour  
1/2 cup of salt  
2 tsp. cream of tartar  
1 cup of water  
1 Tbs. vegetable oil  
Food coloring paste

In a 1 1/2 quart saucepan, mix together flour, salt, and cream of tartar. In a small separate bowl, mix together, water, oil, and food coloring paste and stir it well. Pour the liquid ingredients into the dry ingredients and mix well. Cook in the saucepan on medium heat for 5-10 minutes until it has the consistency of dough. Let it cool completely before playing with it. Store in an airtight container.
