

Homemade Lotion Bar

1 cup of coconut oil
1 cup of cocoa butter, grated
1 1/2 cups of beeswax pellets
2 - 4 tsp. of essential oils for fragrance

In a microwave-safe measuring bowl, add coconut oil, cocoa butter, and beeswax. Melt together in the microwave on medium, stirring occasionally to help the beeswax melt. Add the essential oils and stir.

Carefully pour into silicon molds and let the bars harden for about an hour. Place in a wax paper sandwich bag for storage.
Makes 6 4-oz bars.
